YOUTH LEAGUE

12.15.p.m. ST. GEORGE V A.P.I.A.

Welcome South Melbourne!

We take this opportunity of extending a warm welcome to our visitors from down south, the SOUTH MELBOURNE team...we welcome their players, officials and supporters to the St.George Soccer Stadium, for today's vital clash in the competition. After our disastrous result in Melbourne on Wednesday night we find ourselves in a very difficult position to reach the Top Five Series, however having mathematical possibilities we must concentrate on not only today's game but the remaining games to the end of the season.

Having played during the week did not help our cause however there is no advantage for either team as our opponents played on Thursday night as well

Our match on Wednesday evening, despite the result was a first class game and this was endorsed by an Israeli reporter who did an interview after the game. It was first class soccer on a heavy pitch and the problem was that we did not capitalise on chances in the second half. With only three minutes to go we had a shot cleared off the line when the goalkeeper was clearly beaten - then in injury time a free kick made the difference between the two teams.

Our team played really brilliantly in some parts of the game and the performance of Mike Gibson was really something to talk about, until the last kick of the game, when the free kick landed in the net. Mike earlier had made some world class saves.

Our regret is not only the fact that it was a loss for the first time in five games but the fact that we have lost three players for at least two more games with "yellow fever" - Andrew Koczka, Steve O'Connor and Mike Grbevski.

No doubt today's game will bring some interesting clashes - Paul Wade and Craig Moffitt - Ollerenshaw and Postecoglou - O'Shea and Trimboli talented young players who should excite the spectators.

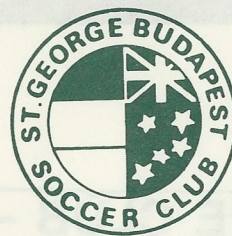

We expect some champagne soccer to be played here today and hopefully the St.George supporters will leave with a smile on their face.

Remember, only Lotto gives
you a chance at \$1½ million
every week.

Go Lotto!
